

Contiki Holidays: London Explorer (4 nights)(Imperial Hotel,Start London, End London)

Day 1 - London

It's time to settle into London at your own pace. Though you won't have a Trip Manager on hand, life will be made easy by 4 nights of accommodation and a suite of extras & activities to keep you busy. A 2-day tube & bus pass & a ticket to a West End musical are just some of the inclusions that will have you getting deeper in the London zone by the day. Discover your own hidden eat haunts and waste a few hours in an old English pub. No matter how you execute these 5 flexible days, it will serve as the perfect ramp up or wind down from a big Contiki tour around Europe.
